## PCHC Payment Options

Unpaid balances, including all applicable co-payments, co-insurance, deductibles and any non-covered services are the responsibility of the patient and must be paid within 60 days of receipt of the statement to avoid collections proceedings. Payments may be made via:

- Cash, check, or money order
- Visa
- Discover
- Mastercard
- American Express

To make an online payment via our secure web server using your credit or debit card, please use our online bill payment form [here](#).

If patients are unable to pay off their entire balance, we do offer 10-month payment arrangements. Please contact a PCHC Billing Office representative at (207) 404-8200 for more details.
