

All students attending RSU 34 schools have access to our **School-Based Health Center** at Old Town Elementary School

Medical and Mental Health Services At School

Even if your child has a primary care provider elsewhere, he/she can receive immediate and on-site medical, and mental health care, *right in school*, at RSU 34's School-Based Health Center (SBHC). On-site mental health services are also available J.A. Leonard Middle School and Old Town High School. This is possible through a program with Penobscot Community Health Care (PCHC).

Common Illnesses

- Asthma
- Strep Throat
- Cough, Fever, or Cold
- Acne or Rashes Vomiting & Diarrhea

Sports Related Concerns

- Sprains and Strains
- Stitches
- Sports Injuries
- Sports Physical Exams
- Concussion Management

Routine Exams

- Well-Child/Annual Exams
- Immunizations

Mental Health Services

- Treatment For:
 - Anxiety
 - Depression
 - Stress Management
 - Changes at School or Home

At our School-Based Health Center, We Care For ALL of You...

From routine medical exams and common illness treatments, and mental health, our PCHC health professionals are there for your care!

When your child is enrolled at the SBHC, he/she is able to get the care they need *right down the hall*. This saves you time driving to or from appointments, and your child is able to return quickly to class. *This service is even available to students who don't feel well enough to attend school and are absent!*

NOTE: Your child does not need to be a PCHC patient to enroll in this program.

Sign up today! Call (207) 404-8004 with any questions.

More info about PCHC and our School-Based Health Centers is available online at www.PCHC.com
