Subject: Notice of Extension – Request For Proposals for CCM and RPM Services

Dear bidder,

Thank you for your interest in responding to our Request for Proposals (RFP) for Chronic Care Management (CCM) and Remote Patient Monitoring (RPM) services. We appreciate the time and effort required to prepare a comprehensive proposal.

This notice is to inform you that the RFP submission period has been extended. The new deadline for proposal submissions is Friday, January 16, 2026. All other requirements, terms, and conditions outlined in the original RFP remain unchanged.

Due to additional RFP responses and to our upcoming EMR conversion in March, this RFP extension is intended to ensure all bidders have sufficient time to prepare thorough and competitive proposals, provide adequate time for Q&A, then also allow PCHC sufficient time to thoughtfully review all submittals. If you have already submitted a proposal, you may choose to resubmit or supplement your materials before the new deadline.

Should you have any questions or require clarification, please direct all inquiries to Kathryn Bragdon in accordance with the communication guidelines specified in the RFP.

We appreciate your continued interest and look forward to reviewing your proposal.

Thank you.

The PCHC Team
